## **City of Safety Harbor Trip and Travel Policy**

City of Safety Harbor acts only as an organizer of transportation, accommodations, sightseeing tours, etc. and does not own, operate, manage, or control any entity that provides goods or services for senior trip programs. The City is not responsible for any negligent or willful act or failure to act of any such person or entity, nor for any act or inaction of any other third party not under its direct control. The City of Safety Harbor is not responsible for any damages caused by inclement weather, Force Majeure, or any other events which are beyond the direct control of the City. Travelers should be in reasonably good health and able to care for themselves, or with the assistance of a caregiver to be retained or provided by the participant. The City of Safety Harbor does not reserve ADA accessible seating. Staff will determine how seating will be done on the bus and may include seat rotation. Single travelers will have their own lodging accommodations but are not guaranteed two seats on motor coach. The City of Safety Harbor strives to make its programs, services, and activities, including its senior trip programs, accessible. Every reasonable attempt will be made to accommodate individuals with disabilities to allow them to have a safe, enjoyable experience. However, please note that the City is unable to make accommodations that would fundamentally alter the nature of the program, or that would cause an undue burden on the City, or that would constitute a direct threat to health and safety. Reasonable accommodations are assessed and made on a case by case basis. Please notify us at time of registration if you have any special needs.
