Building a Legacy for the Future

We invite you to join our Foundation in a very special capital campaign,

20/20 Vision - Let's Build a Story, to support the buildout of a second story meeting room at the Safety Harbor Public Library.

As the Library continues to attract high numbers of library visitors, organizations, and businesses due to its enlightening educational programs, vast resources, and convenient meeting areas, it's no surprise the library's space cannot keep up with demand.

Your contribution will make a difference by enabling the Foundation to purchase essential items for the new second story meeting room. From audio visual equipment and furniture, fixtures, to a podium, removable stage, artwork and more, your contribution will help us reach our goal of \$500,000 before construction begins.
