

MOVING SAFETY HARBOR FORWARD

You're Invited!

The City of Safety Harbor is developing a Sidewalk and Bicycle Facility Master Plan to identify and prioritize future capital projects and enhance the City's sidewalk and bicycle networks.

Join us for a Community Workshop
to discuss existing facilities and conditions

October 25th, 2021 from 5:30 – 7:30 pm
at the Library (101 2nd Street N)

Bring your ideas for improving walking and biking in Safety Harbor!

Stay Involved!
