

MOVING SAFETY HARBOR FORWARD

Using the provided stickers, please provide your feedback on improving the pedestrian and bicycle network and existing facilities in Safety Harbor.

Countryside High School - safety concern for walkers and bikers.

Design for safety

Connections to Oldman Safety

Safety Harbor

ADD SIDEWALK on E 5100 N 9TH

Enhance lighting / way finding

ADD SIDEWALK on gap.

Need connection from MLK to 9th as route to external/mental health center

Open to bikers/peds at all times

Trail dies into brick sidewalk at stadium entrance. No signage and not a comfortable way to connect to trail in park

Sign to use Runway Alt. to Bridge (North side of Bridge) - Bridge is narrow.

narrow bridge

① provide separate access for "fishers"
② wider bridge
