If you feel you need a particular accommodation to access any service or program, please call 727-724-1555, ext. 1516 or send requests to [SSchafer@cityofsafetyharbor.com](mailto:SSchafer@cityofsafetyharbor.com). Please send requests at least seven days prior to the first class so that the City will have time to review the request prior to the class start date.

The City of Safety Harbor strives to make its programs, services, and activities accessible and encourages participants to receive the benefits of recreation. Every reasonable attempt will be made to accommodate individuals with disabilities to allow them to have a safe, enjoyable experience. However, please note that the City is unable to make accommodations that would fundamentally alter the nature of the program, services, or activities, that would cause an undue burden on the City, or that would constitute a direct threat to health and safety. Please also note that all requests for reasonable accommodations are assessed on a case-by-case basis. Participants should be able to perform the following essential functions:
